Beyond Meat Announces Early Tender Results and Early Settlement for Exchange Offer and Consent Solicitation with Respect to Existing Convertible Notes

October 13, 2025

EL SEGUNDO, Calif., Oct. 13, 2025 (GLOBE NEWSWIRE) -- Beyond Meat, Inc. (NASDAQ: BYND) (the "Company" or "Beyond Meat"), a leader in plant-based meat, today announced the early tender results of its previously announced exchange offer (the "Exchange Offer") to exchange any and all of its 0% Convertible Senior Notes due 2027 (the "Existing Convertible Notes") for a pro rata portion of (i) up to \$202.5 million in aggregate principal amount of its new 7.00% Convertible Senior Secured Second Lien PIK Toggle Notes due 2030 (the "New Convertible Notes") and (ii) up to 326,190,370 shares of its common stock (the "New Shares" and, together with the New Convertible Notes, the "Offered Securities").

As of 5:00 p.m., New York City time, on October 10, 2025 (the "Early Tender Date"), based on information provided by MacKenzie Partners, Inc., which is acting as the exchange agent and information agent for the Exchange Offer (the "Exchange Agent"), \$1,114,603,000 in aggregate principal amount of Existing Convertible Notes was validly tendered in the Exchange Offer and not validly withdrawn (such notes, the "Tendered Notes") and related consents to the Proposed Amendments (as defined below) were validly delivered and not validly withdrawn as of such time. It was a condition to the Exchange Offer that a minimum of 85% of the aggregate principal amount of Existing Convertible Notes shall have been validly tendered (and, if applicable, not validly withdrawn). The Tendered Notes represent 96.92% of the aggregate outstanding principal amount of Existing Convertible Notes. As a result, the Company also announced that it will consummate the early settlement with respect to the Tendered Notes (the "Early Settlement"), which is expected to occur on October 15, 2025 (the "Early Settlement Date"), the second business day immediately following the Early Tender Date.

Beyond Meat President and CEO Ethan Brown commented, "We are pleased to announce this Early Settlement of the Exchange Offer for our Existing Convertible Notes, which marks a meaningful next step towards our goal of reducing leverage and extending debt maturity for Beyond Meat."

The following table describes the early tender results at 5:00 p.m., New York City time, on October 10, 2025 (which is the Early Tender Date of the Exchange Offer and the Consent Solicitation, as defined below) as well as the Offered Securities expected to be issued at the Early Settlement:

Title	Aggregate Principal Amount of Existing Convertible Notes Tendered and Accepted	Percentage of Existing Convertible Notes Tendered and Accepted	Aggregate Principal Amount of New Convertible Notes Expected to be Issued ⁽¹⁾	Number of New Shares Expected to be Issued
0% Convertible Senior Notes due 2027	\$ 1,114,603,000	96.92%	\$ 196,217,000	316,150,176

(1) Does not include the SteerCo Premium as defined and described below.

In addition, the Company agreed in the transaction support agreement (the "Transaction Support Agreement"), dated September 29, 2025, among the Company and certain beneficial owners or nominees, investment managers or advisors for beneficial holders of the Existing Convertible Notes (the "Supporting Noteholders") who held approximately 47% of the aggregate principal amount of the Existing Convertible Notes as of the effective date of the Transaction Support Agreement, to pay or cause to be paid to the Supporting Noteholders, in proportion to the principal amount of Existing Notes held by each such Supporting Noteholder, a non-refundable amount equal to \$12.5 million in aggregate principal amount of New Convertible Notes on the initial settlement date of the New Convertible Notes (the "SteerCo Premium"). As a result, the SteerCo Premium is expected to be issued on the Early Settlement Date, and a total of \$208,717,000 in aggregate principal amount of New Convertible Notes is expected to be outstanding immediately following the Early Settlement Date.

By tendering Existing Convertible Notes in the Exchange Offer, each participating holder of Existing Convertible Notes is deemed to have agreed with the Company that from and after the Early Settlement Date and until 5:00 p.m., New York City time, on October 16, 2025, which is the record date of the special meeting to be held following the Exchange Offer, it will not transfer, sell, exchange, assign or convey any legal or beneficial ownership interest in, or any right, title or interest therein (including any right or power to vote), or otherwise dispose of (whether by sale, liquidation, dissolution, dividend, distribution or otherwise) any New Shares, or enter into any contract, option, or other agreement with respect to any of the foregoing; provided that an exchanging holder of Existing Convertible Notes may sell up to approximately 37.45% of the New Shares received by such holder in the Exchange Offer (the "Freely Tradeable Shares") until 5:00 p.m., New York City time, on October 16, 2025, and, thereafter, will be able to sell all of the New Shares it receives in the Exchange Offer. With the exception of the Freely Tradeable Shares, the New Shares are expected to be issued into a Contra CUSIP (CUSIP NO. 088ESCAA6) intended to restrict the trading of such security for the duration of the lock-up period. The Company intends to publicly announce the release of the lock-up restrictions on or about 5:00 p.m., New York City time, on October 16, 2025. Holders of New Shares subject to the Contra CUSIP will no longer be contractually restricted from transferring such common shares following 5:00 p.m., New York City time, on October 16, 2025. Shares subject to the Contra CUSIP are expected to be allocated into the unrestricted CUSIP for the Company's shares of common stock (CUSIP NO. 08862E109) over the course of the day on October 17, 2025, subject to the procedures of the Depository Trust Company ("DTC") and of DTC participants.

Simultaneously with the Exchange Offer, the Company solicited consents (the "Consent Solicitation") from holders of the Existing Convertible Notes to adopt certain proposed amendments (the "Proposed Amendments") to the indenture governing the Existing Convertible Notes (the "Existing

Convertible Notes Indenture”). The Proposed Amendments will eliminate substantially all of the restrictive covenants in the Existing Convertible Notes Indenture as well as certain events of default and related provisions applicable to the Existing Convertible Notes. As of 5:00 p.m., New York City time, on the Early Tender Date, the Company had obtained sufficient consents to effectuate the Proposed Amendments. As a result, the Proposed Amendments will become effective upon the Early Settlement Date.

For the remaining holders of Existing Convertible Notes that did not tender their Existing Convertible Notes prior to the Early Tender Date, the Exchange Offer will expire at 5:00 p.m., New York City time, on October 28, 2025 (such time and date, as the same may be extended, the “Expiration Deadline”), unless extended or earlier terminated. The withdrawal deadline for the Exchange Offer and Consent Solicitation occurred at 5:00 p.m., New York City time, on October 10, 2025 (the “Withdrawal Deadline”). As a result, and because the Withdrawal Deadline is not being extended, tenders of the Existing Convertible Notes and related consents may no longer be withdrawn, except in limited circumstances where additional withdrawal rights are required by law. If all conditions to the Exchange Offer have been or are concurrently satisfied or waived at or prior to the Expiration Deadline, unless extended, the Company will accept for exchange any remaining Existing Convertible Notes that were validly tendered in the Exchange Offer following the Early Tender Date and at or prior to the Expiration Deadline, and not validly withdrawn at or prior to the Withdrawal Deadline (the date of such exchange, the “Final Settlement Date”). The Final Settlement Date, if any, will be promptly after the Expiration Deadline and is currently expected to occur on October 30, 2025, the second business day immediately following the Expiration Deadline.

The Exchange Offer and Consent Solicitation may each be amended or extended at any time prior to the Expiration Deadline and for any reason, and may be terminated or withdrawn if any of the conditions of the Exchange Offer and Consent Solicitation are not satisfied or waived by the Expiration Deadline (as it may be extended), subject to applicable law and, if applicable, the terms of the Transaction Support Agreement. Subject to applicable law and, if applicable, the terms of the Transaction Support Agreement, the Company may extend the Expiration Deadline at any time, which may or may not have the effect of extending the Withdrawal Deadline.

The New Convertible Notes and shares of common stock offered in the Exchange Offer are being offered only to holders of Existing Convertible Notes that are (i) “qualified institutional buyers” as defined in Rule 144A under the Securities Act or (ii) “accredited investors” (within the meaning of Rule 501(a) under the Securities Act) that beneficially own a minimum of \$200,000 in aggregate principal amount of Existing Convertible Notes (“Eligible Holders”).
