Beyond Meat Announces 1-for-30 Reverse Stock Split

August 11, 2026

EL SEGUNDO, Calif., Aug. 11, 2026 (GLOBE NEWSWIRE) -- Beyond Meat, Inc. (NASDAQ: BYND) (the "Company") today announced that its board of directors (the "Board") has selected a 1-for-30 reverse stock split of the Company's common stock and a proportionate reduction in the number of authorized shares of common stock (and a corresponding decrease in the total number of authorized shares of capital stock). At a special meeting held on November 19, 2025, the Company's stockholders approved thirty alternate amendments to the Company's restated certificate of incorporation to effect a reverse stock split at one of thirty reverse stock split ratios, with the exact ratio to be determined by the Board.

The reverse stock split is intended to help the Company regain compliance with the minimum bid price requirement for continued listing on the Nasdaq Global Select Market.

"We believe the reverse stock split is an important step toward maintaining our Nasdaq listing and better positioning our stock for long-term investor participation," said Ethan Brown, President and Chief Executive Officer of Beyond Meat.

The reverse stock split is expected to become effective at 11:59 p.m. Eastern Time on August 13, 2026. Shares of the Company's common stock are expected to begin trading on a split-adjusted basis on the Nasdaq Global Select Market at market open on August 14, 2026 under the existing trading symbol "BYND" and a new CUSIP number of 08862E307.

In connection with the reverse stock split, every 30 shares of the Company's common stock issued and outstanding immediately prior to the effective time will be automatically reclassified and combined into 1 share of common stock.

No fractional shares of common stock will be issued as a result of the reverse stock split. Instead, the Company will issue to holders of record who are entitled to a fraction of a share as a result of the Reverse Stock Split, a fraction of a share of common stock as is necessary to round up to the nearest whole share. For shares held through The Depository Trust Company ("DTC"), fractions of shares will be issued as is necessary to round up to the nearest whole share at the DTC participant level. Brokers, banks or other nominees holding shares in "street name" will be instructed to effect the reverse stock split for their beneficial holders; however, such brokers, banks or other nominees may apply their own specific procedures for processing the reverse stock split.

In connection with the authorized share reduction, the number of authorized shares of common stock will be reduced from 3,000,000,000 to 100,000,000, and the total number of authorized shares of capital stock will be correspondingly reduced from 3,000,500,000 to 100,500,000.

Upon the effectiveness of the reverse stock split, the conversion rates of the Company's outstanding convertible notes, the number of shares of common stock issuable upon exercise of outstanding warrants and the exercise prices thereof, and the number of shares subject to outstanding equity awards under the Company's equity incentive plans (and the applicable exercise prices thereof), will each be proportionately adjusted pursuant to their respective terms and as determined by the Board to reflect the 1-for-30 reverse stock split ratio. In addition, the number of shares reserved for future issuance under the Company's equity incentive plans will be proportionately reduced.

The reverse stock split has no effect on the par value of the Company's common stock. Immediately after the reverse stock split, each stockholder's percentage ownership interest in the Company and proportional voting power will remain unchanged, except for minor changes that will result from the treatment of fractional shares.

Equiniti Trust Company, LLC is acting as the transfer and exchange agent for the reverse stock split. Stockholders who hold registered shares in book-entry form at Equiniti Trust Company, LLC are not required to take any action to receive split-adjusted shares. Stockholders who hold shares through a broker, bank or other nominee will have their positions automatically adjusted and are not required to take any action.

About Beyond Meat

Beyond Meat, Inc. (NASDAQ: BYND), otherwise known as Beyond The Plant Protein Company™, is a plant protein company offering a portfolio of plant-based products made with non-GMO ingredients, no added hormones or antibiotics, and 0mg of cholesterol per serving. Founded in 2009, Beyond Meat's core products are designed to have the same taste and texture as animal-based meat while being better for people and the planet. The company's brand promise, Eat What You Love®, represents a strong belief that there is a better way to feed our future and that the positive choices we all make, no matter how small, can have a great impact on our personal health and the health of our planet. By shifting from animal-based protein to plant-based protein, we can positively impact four growing global issues: human health, climate change, constraints on natural resources and animal welfare.
