**HUMAN CAPITAL MANAGEMENT  
AND COMPENSATION COMMITTEE CHARTER**

(Amended as of July 17, 2024)

**Purpose**

The purpose of the Human Capital Management and Compensation Committee (the “Committee”) of the board of directors (the “Board”) of Beyond Meat, Inc., a Delaware corporation (the “Company”), is to discharge certain responsibilities of the Board with respect to human capital management, including diversity and inclusion, and executive compensation, and to make such decisions with respect to executive compensation and related matters as may be required of a compensation committee under the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the applicable rules of the stock exchange on which the Company’s shares are listed for trading or otherwise publicly quoted (the “Listing Rules”). The Committee is also responsible for administering the Company’s cash-based and equity-based incentive compensation plans, making recommendations with respect to director compensation, and overseeing the Company’s executive succession planning.

**Membership & Organization**

The Committee shall be comprised of at least two (2) members of the Board. Such members shall be appointed by the Board and each member of the Committee shall serve at the discretion of the Board and may be replaced by the Board at any time or for any reason. Unless a chair is designated by the Board, the members of the Committee may appoint a chair of the Committee.

Each member of the Committee will be:

- (i) “independent” as defined under applicable rules of the Listing Rules (except as otherwise permitted under such rules), including any enhanced standards or requirements of the Listing Rules for Committee members; and
- (ii) a “non-employee director” under Rule 16b-3(b)(3)(i) promulgated under the Exchange Act.

In the event that the Committee has more than two (2) members and one (1) or more members of the Committee are absent from a meeting of the Committee, or, being present at a meeting, recuse themselves from an action taken, the remaining members of the Committee (provided there are at least two (2) such members), acting unanimously, shall have the power to take any necessary action. No action of the Committee shall be valid unless taken pursuant to a resolution adopted and approved by at least two (2) members of the Committee. No employee-member of the Committee shall participate in any discussions or deliberations relating to such person’s own compensation or other matters in which such person has a material interest.

The Committee may also act by unanimous written consent of the then-serving members of the Committee.

**Authority & Responsibilities**

The authority delegated to the Committee is set forth below. This description of authority is intended as a guide and the Committee may act and establish policies and procedures that are consistent with these guidelines or are necessary or advisable, in its discretion, to carry out the intent of the Board in delegating such authority and to fulfill the responsibilities of the Committee hereunder.

1. The Committee shall review the Company’s employee compensation policies and practices at least annually to assess the adequacy in promoting the long-term interests of the Company

and its stockholders and to further assess whether such compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the Company.

2. The Committee has exclusive authority to determine the amount and form of compensation paid to the Company's Chief Executive Officer (the "CEO"), and to take such action, and to direct the Company to take such action, as is necessary and advisable to compensate the CEO in a manner consistent with its determinations. The Committee will review and approve corporate goals and objectives relevant to CEO compensation at least annually, evaluate the CEO's performance in light of such goals and objectives, including the relationship of such compensation to corporate performance, and based on this evaluation determine the level of the CEO's compensation and incentive-compensation and equity-based plan awards.

3. With respect to "executive officers" (as defined in Rule 3b-7 under the Exchange Act) and "officers" (as defined in Rule 16a-1(f) under the Exchange Act) of the Company, other than the Company's CEO (the "Other Executive Officers"), the Committee has authority to determine the amount and form of compensation paid to the Other Executive Officers, and to take such action, and to direct the Company to take such action, as is necessary and advisable to compensate the Other Executive Officers in a manner consistent with its determinations. The Committee, in consultation with the CEO, will review and approve corporate goals and objectives relevant to the Other Executive Officers' compensation at least annually, evaluate the Other Executive Officers' performance in light of such goals and objectives, including the relationship of such compensation to corporate performance, and based on such evaluation determine the level of the Other Executive Officers' compensation and incentive-compensation and equity-based plan awards.

4. The Committee shall periodically review and assess the Company's management development and succession plans for the CEO and Other Executive Officers, reporting its findings and recommendations to the Board.

5. The Committee shall have the authority to review and approve any employment, change in control, severance or termination agreement, plan or arrangement to be entered into with the Company's CEO or any Other Executive Officer, which includes the ability to adopt, amend and terminate such agreement, plan or arrangement.

6. The Committee has authority to determine the amount and form of compensation paid to the Company's other officers, employees and advisors and, in consultation with the CEO, to review the performance of such persons in order to determine appropriate compensation, as well as to establish the Company's general compensation policies and practices and to adopt, administer, amend and terminate plans and arrangements established pursuant to such policies and practices. The Committee has authority to take such action, and to direct the Company to take such action, as is necessary and advisable to compensate such persons and to implement such policies and practices in a manner consistent with its determinations. Consistent with its authority under this Charter, the Committee may delegate its authority on these matters with regard to non-officer employees of the Company to officers and other appropriate Company supervisory personnel.

7. The Committee will periodically review and make recommendations to the Board as to compensation for the non-employee directors of the Board.

8. The Committee will periodically review and approve the Company's peer group for executive compensation purposes based on criteria the Committee deems appropriate.

9. The Committee has authority to administer the Company's cash-based and equity-based incentive compensation plans, including without limitation to approve the adoption of such plans, to reserve shares of Common Stock for issuance thereunder in the case of equity plans, to amend and interpret such plans and the awards and agreements issued pursuant thereto, and to make awards to eligible persons under the plans and determine the terms of such awards. In addition, the Committee has authority to review and discuss with management the Company's overall aggregate equity usage relative to market.

10. Except with respect to the responsibilities set forth in paragraph 2 above, the Committee may delegate its authority granted under this Charter to a subcommittee of the Committee (consisting either of a subset of members of the Committee or, after giving due consideration to whether the eligibility criteria described above with respect to Committee members and whether such other Board members satisfy such criteria, any members of the Board). In addition, to the extent permitted by applicable law, the Committee may delegate to one or more officers of the Company (or other appropriate supervisory personnel) the authority to grant, rescind and amend stock options and other stock awards to employees, ambassadors and consultants (who are not executive officers or members of the Board) of the Company or of any subsidiary of the Company.

11. The Committee shall review and discuss with management the Company's proposed disclosure under the "Compensation Discussion and Analysis" required by Regulation S-K under the Exchange Act and recommend to the Board whether such Compensation Discussion and Analysis should be included in the Company's proxy statement and Annual Report on Form 10-K, and produce an annual report of the Committee for inclusion in the Company's proxy statement and Annual Report on Form 10-K.

12. The Committee has authority to determine, or recommend to the Board for approval, stock ownership guidelines for the Company's CEO, Other Executive Officers and non-employee directors and monitor compliance with such guidelines.

13. The Committee has authority to review and approve the proposals regarding the stockholder advisory vote on executive compensation and the frequency of such vote required to be included in the Company's proxy statement by Section 14A of the Exchange Act. The Committee also shall review the results of such advisory votes and consider any implications.

14. The Committee shall annually review the potential risk to the Company from its compensation programs and policies, including any incentive plans, and whether such programs and policies incentivize unnecessary and excessive risk taking.

15. The Committee has authority to oversee engagement with stockholders and proxy advisory firms on executive compensation matters.

16. The Committee shall have oversight of the Company's human capital management, including but not limited to those policies and strategies regarding recruiting, engagement, retention, employee learning, career development and progression, succession planning, diversity and inclusion, and employment practices.

17. The Committee shall administer the Company's Policy for Recovery of Erroneously Awarded Compensation to the extent provided under such policy, and periodically review and assess the adequacy of such policy and recommend any proposed changes to the Board for approval.

18. The Committee has the authority to perform such other activities and functions as are required by law, the Listing Rules or provisions in the Company's charter documents, or as are otherwise necessary and advisable, in its or the Board's discretion, to the efficient discharge of its duties hereunder.

The Board has simultaneously reserved to itself all authority delegated under this charter to the Committee, subject to any restrictions under applicable law and the Listing Rules, as applicable from time to time. This reservation of authority does not in any way limit the Committee's authority to act definitively on matters delegated to it under this charter.

### **Advisors**

The Committee has the sole authority and right to select, engage, compensate and terminate compensation consultants, legal counsel and such other advisors as it deems necessary and advisable to assist the Committee in carrying out its responsibilities and functions as set forth herein. Compensation paid to such parties and related expenses will be borne by the Company and the Company will make

appropriate funding available to the Committee for such purposes. The Committee shall also have the authority for approving the material terms of all arrangements between the Company and compensation consultants unless the Committee has retained its own consultant or the services relate only to consulting on broad-based plans. Before selecting any compensation consultants, legal counsel or other advisors described above (other than in-house legal counsel) the Committee will consider the all factors related to the independence of such advisors including those specified in Rule 5605(d)(3)(D) of the Listing Rules.

The Committee shall also evaluate whether any compensation consultant retained or to be retained by it has any disclosable conflict of interest in accordance with Item 407(e)(3) of Regulation S-K.

### **Meetings**

The Committee shall meet as often as it determines necessary, but it is anticipated that the Committee shall meet not less frequently than four (4) times each year. The Committee Chair may call Committee meetings and, in consultation with other Committee members, shall determine the frequency and set the dates, times and places of Committee meetings and shall set agendas for such meetings consistent with this Charter. In the absence of a Committee Chair, a majority of the members of the Committee may call a meeting of the Committee.

The Committee may invite such members of management to its meetings as it deems appropriate. However, the Committee shall meet regularly without such members present, and in all cases the CEO and any other such officers shall not be present at meetings at which their compensation or performance is discussed or determined.

Except as otherwise provided in this charter, the Committee is governed by the same rules regarding meetings (including meetings in person or by telephone or other similar communications equipment), action without meetings, notice, waiver of notice, and quorum and voting requirements as are applicable to the Board.

### **Minutes & Reports**

The Committee shall make regular reports to the Board with respect to significant actions and determinations made by the Committee. The Committee shall maintain written minutes of its meetings and shall, to the extent deemed appropriate, record its summaries of recommendations to the Board in written form. The minutes and the recommendations, as applicable, shall be incorporated as part of the minutes of the Board.

### **Periodic Review**

The Committee will periodically, but no less frequently than annually, review its own composition and performance and report on its conclusions in this regard to the Board. In addition, the Committee will periodically review this Charter and make recommendations to the Board with regard to appropriate changes to the Charter.
